R-c.No.10804-X3/56.Dated 4-5-1956.

Sir,

Sub:- EDUCATION- Fisheries High School, Malpe in South Kanara District- Additional Post of Physical Training Instructor-Sanction-Requested.

There are 245 boys and 101 girls students on roll at the Malpe Fisheries High School. This strength will increase still further after the school is reopened after summer vacation. There is only one Physical Training Instructor sanctioned and employed in this School and the continuance of this post has been sanctioned in G.O.Ms.No.834 Agriculture dated 27-3-1956.

One Physical Training Instructor is found to be inadequate for the School especially when there is no lady physical Training Instructor. The District Educational Officer, South Kanara during his annual inspection of the School in 1955-56 has remarked as follows:-

"For 4 Sections in the Higher Forms, there are 4 B.T. Assistants and for 6 sections in the lower forms there are 6 Secondary Grade Assistants one of them is also taking up crafts. There is a Kannada Vidwan, a Hindi Pandit, One Physical Training Instructor (Lower Grade) and One Drawing Teacher and one Sewing Mistress. She must obtain the group certificate. A Lady Physical Training Instructress may be appointed as there are more than 100 girls." The Divisional Inspector of Schools while reviewing the above said annual inspection remarks has stated as follows:-

"The appointment of a lady Physical Training Instructor is necessary considering the large number of girls on rolls. The Assistant Director of Fisheries, Mangalore states that the Head Mistress of the School is also of the opinion that a separate Lady Physical Training Instructor of a Lower Grade is necessary and recommends the employment of an Additional Physical Training Instructor in the School.

I therefore request that Government may be pleased to sanction the appointment of a Lower Grade Lady
